Acing interiors by Enhancing spaces!

Fulfilling an array of myriad construction requirements, Sunhearrt crafts high-end products with a keen focus on delivering the best. Prioritising customer satisfaction, we create products that are unique, sustainable, durable, in addition to being easy to install, maintain, bacteria protected, as well as resistant to fire, heat, and chemicals; making them a preferred choice for designing any space that speaks opulence.

Tiles

Flooring the extensions of your dream space, tiles from Sunhearrt are a great addition to every ambience. With their simplistic elegance and finesse, our tiles introduce modernity and grandeur by manufacturing the best alternatives and replacements to natural surfaces. This collection, thence, is the perfect choice for 'architecting' the spectacular!

DESIGN INSPIRATION

Our products are very adaptable and durable when it comes to design and artistic applications. Whether you want to create a minimalist home or a stylish space that caters to modern preferences, it makes no difference. Our unique designs increase the possibilities for creating your ideal environment, both indoors and outdoors. In order to produce high-quality tiles, we combine cutting-edge technology with stunning designs. To make your house or commercial property feel pleasant, you can choose from various colours and designs.

Bigger. Better.
Sunhearrt Ceramik.

axi marble - STONES
80x160cm - 9mm THICKNESS

STONES

The waves and designs of the tiles have a striking resemblance to those of genuine stone. This characteristic gives it an appealing and refined appearance. These tiles have a similarly unique and exquisite appearance to the actual stone. The stone collection offers a wide variety of designs.
